Reconnecting Workspaces

June 2021

Let the conversations begin!

We've been apart for longer than most of us would have liked! Pick up a copy of Jennifer Britton's most recent book, *Reconnecting Workspaces: Pathways to Thrive for the Virtual, Remote and Hybrid World*. During late June 2021 there are several additional bonuses to support you. Pick up a copy for those you work with so you all can build from the same tools and frameworks.

Learning is better together

Whether you purchase one book or many, join us for the conversation. Join Jennifer for our regular ICF CCE approved coaching skills training, or new programs coming under the Reconnecting Workspaces banner including Certified Coach training, Team Days, or the Reconnecting Workspaces Coaching Circles
