

RECONNECTING WORKSPACES:

Pathways to Thrive in the Virtual, Remote and Hybrid World

THE FUTURE OF WORK IS HYBRID. ARE YOU READY?

In March 2020, almost three billion people globally started to work “remote by chance”. As the world moves into the next phase of work, many things are possible. There is an opportunity to do things differently and avoid many of the pitfalls.

Reconnecting Workspaces is a practical roadmap for leaders, business owners, teams and professionals navigating the virtual, remote and hybrid world. This book explores many of the core skills and practices required to thrive in the evolving workspace. Since the start of the decade many of the myths of the remote workplace have been shattered, creating a paradigm shift in the way we work, lead and communicate.

In today’s virtual, remote and hybrid world, workplaces have become workspaces, and high performance is not just about clear RESULTS, but also great RELATIONSHIPS.

Join Remote Pathways Podcast co-host and virtual expert Jennifer Britton in this foundational look at core topics impacting the workspace today including:

- Boosting the Triad of Trust, Safety and Connection
- Creating a robust virtual team culture
- Leadership Practices
- Remote and Hybrid teamwork practices
- Core skills every remote and hybrid professional needs
- Providing Feedback
- Navigating conflict
- Emotional Intelligence
- Making meetings more productive and virtual presentations more engaging
- Collaboration and relationship building in the virtual space
- Creating more engaging virtual events

“A ‘go to’ guide for every leader, team and professional coach in our 2021 hybrid and virtual world. Jennifer is ahead of the trend with her extremely useful 100 tips, tools and techniques in which she ‘wraps up’ everything we need to know, enabling us to thrive and do our best work.”

Teresa Peters,
Director, Accelerator Coaching Ltd UK, Publisher – relish publishing

“Change is a great leveler, forcing the evolution of systems from private industry to governance. There are new paradigms forming as the failure of structures precipitates new ideas, practices and solutions. Jennifer Britton offers us wise pathways to safely navigate the chaos of rapid change, connection despite disruptions, and to co-create beautiful outcomes that never existed before. Reconnecting Workspaces invites us to answer the question of what does work actually mean under the pressure of transformed conditions and demands”. Nancy Boyd

Reconnecting Workspaces is structured around 21 remote, virtual and hybrid myths, principles, Brain Tips, Team Tools, Six Questions for Teamwork, and Reconnecting Tips. Remote and hybrid professionals of all kinds will find this a go-to resource to navigate the varied pathways of this new world of work.
